Boil Water Advisories

Periodically the Town of St. Anthony has a legal obligation to impose a Precautionary Boil Water Advisory when it is completing work on water lines, flushing water, equipment issues, etc.

These notifications are to protect our residents, business owners and visitors. Once the Town issues such a notice the responsibility to follow the notice and inform customers lies with the business. The Town doesn't take any responsibility for such.

If you have any questions regarding this matter, please contact the Town of St. Anthony at 709-454-3454.

Thank you

Town of St. Anthony
