

EMPLOYMENT OPPORTUNITY

THE TOWN OF ST. ANTHONY

Utilities & Installation/Maintenance Person Public Works Department

The Town of St. Anthony is seeking the services of an individual who is knowledgeable, trained and experienced in the placement of sewer and water installation and the use of heavy equipment (excavator, loader and backhoe).

The successful applicant will be responsible for the following duties:

- Water testing
- Perform heavy equipment duties such as snow clearing, excavator duties and backhoe
- Salt and sanding operations
- Building maintenance
- Labour duties which include working in ditches, water and sewer line repairs, guardrail repairs, asphalt repairs, etc.
- Other duties as outlined by the Town

Successful applicants must provide a resume detailing qualifications and related experiences in addition:

- A valid heavy equipment operator's license and specific classifications for excavator, dump truck and loader
- Heavy equipment experience in snow clearing (Minimum 1yr experience)
- Other classifications: WHMIS, Power Line Hazard, First Aid, Confined Space, etc.
- A letter of conduct from RCMP

Deadline for applications is Friday, November 3, 2017 at 1:00pm.

Applications presently on file will not be considered. Interested persons are asked to forward resumes to the undersigned prior to deadline.
