***Town Message;***

The Town of St. Anthony has taken on various initiatives and responsibilities to raise additional funds for the newly constructed Polar Centre. These funds will be used to offset the costs of construction of the new Polar Centre. The new facility is designed to service users of all ages and will allow the Town to offer new and exciting events in a modern building. One such event is the Coffee House musical show that will be taking place the last Wednesday of each month at the polar centre common room.

The Town's goal is to raise funds that will go to help pay for the capital costs associated with the construction of the facility.

In addition to the Seat Sponsorship Campaign, the Recreation Advisory Committee has partnered with Consumer's Choice Pharmacy in the Viking Mall with its ongoing 50/50 lottery. These funds are also designated to help offset costs of the new building.

The Town of St. Anthony would like to thank area residents, businesses and community groups for their continued support and generosity.

This is one of our largest fundraising campaigns and we are asking everyone to get involved and have his/her name forever etched in the new Polar Centre.

Complete the enclosed form and become one of 496 to sponsor a seat.

Sincerely,

Town of St. Anthony

**Polar Seat Choice!!!**

To determine which seat you wish to sponsor we suggest that you visit the arena on the day of the official launch of this promotion. Seat choice will be based on a first come first served basis. In addition, if you are unable to pick a location during the launch we suggest that you visit the arena and pick out your top two choices and place these choices on the application. If your choices have been already taken someone from the Town of St. Anthony will be calling you to determine whether or not you wish to consider another seat location.
